

Mail Prep and Entry Steering Committee Webinar

October 10, 2012

- **Welcome**
- **Communications – Info Sharing Update**
- **DMM Revision Updates**
- **Benefit/Effort Matrix Results**
- **Review Discussion Items**
- **Review New Idea(s)**
- **Discuss Items for Next Webinar**

- **RIBBs**
 - Received commitment to establish industry outreach link for industry communications
 - Will include specific link for Steering Committee information
 - Looking to leverage planned design changes
- **Steering Committee**
 - Need members to continue to share info received through respective channels

- **OMX/Mixed ADC Federal Register**
 - Federal Register final rule published 9/24/12
 - Postal Bulletin article will publish 10/18/12
 - DMM revision effective 1/27/13
- **24 Piece Rule Change for Periodicals**
 - Internal review complete; also sent to Steering Committee
 - Postal Bulletin article expected to publish early November
 - DMM revision in January but effective upon publication in PB
- **Elimination of Certain QSG's**
 - Includes 201b, 703, 705a-f, 707a
 - Postal Bulletin article expected to publish 10/18/12
 - QSGs will be eliminated effective 3/4/13
 - QSG 601, *Hazardous, Restricted, and Perishable Materials* – was eliminated on 10/1/12
 - Feedback period ends on 12/31/12

- Results based on Change/Improvements Templates submitted
 - 27 templates submitted to date
 - 2 of those already completed
 - 6 additional currently being addressed
- Prioritization should be given to ideas that fall in the “green” portion of the matrix
- Next Steps
 - Re-engage owners/stakeholders with actionable items to address prioritized ideas

- **Item #20 – 3D SCH vs. 3D Trays/Containers**
 - Clarifies 3-digit scheme trays must be prepared prior to preparing 3-digit trays
 - Affects all classes, letters and flats
- **Item #28 – Increase 20 oz Mach Weight Limit**
 - CSR now allows up to 22 oz for 5% of mailing
 - New proposal would allow up to 24 oz
 - Affects Periodicals
- **Item #22 – FSS Scheme Bundle Prep**
 - Benefits (more or less bundles)
 - Feasibility (software, production etc)
 - Co-mail
 - Affects Standard and Periodical Flats

- 1 Additional idea submitted since 9/13/12
 - FCM color incentive
 - Enable FCM to explore color technology/options
 - Dynamic color messaging on bills, statements, letters etc
 - Support and enable the value of FCM
 - Exclusive to FCM
- 75 total items on Idea Log

- Next Webinar Date/Time
 - Thursday, November 8, 2012 – 2 pm EST
- Identify Topics to Discuss
- Wrap Up
